

Falcon® 4410/4420

Portable Data Collection Terminals

Falcon 4420

Falcon 4410

The Falcon 4410 and 4420 package the power of the latest mobile computing technology in a rugged, yet ergonomic, portable data terminal for all of your demanding data collection needs. Whether in the harsh environment of a distribution center or in a fast-paced retail-in-store environment, the Falcon 4410/4420 has the feature set, accessories, and tools to meet your needs.

Cutting Edge Mobile Technology

Inside the sleek Falcon 4410/4420 are cutting edge technologies from the leaders in mobile and wireless technology, such as Microsoft, Intel, Cisco, and others. The Falcon 4410/4420 features the Intel® XScale™ PXA250 processor and Microsoft™ Windows CE .Net, providing you with the power and flexibility to deploy sophisticated mobile applications in your enterprise.

The Intel XScale processor provides you with the highest performing mobile processor available today along with advanced power management capabilities for extended battery life. Microsoft's Windows CE .Net operating system gives you the freedom to select the software solution that best meets your needs.

Ergonomic Scanning

The Falcon 4410 is contoured to fit comfortably in an operator's hand for extended periods of fatigue-free data collection activities. The handled Falcon 4420 is ergonomically designed for scan-intensive applications. The Falcon 4410/4420 also has the widest range of scanning options in its class, including standard, long range, and advanced long range scanning options.

Built for the Workplace

With a 4-foot drop specification and an IP54 environmental seal rating, the Falcon 4410/4420 is well suited to resist the rigors of your commercial or industrial environment. And for those loud industrial environments, the Falcon 4410/4420 features a powerful speaker with configurable volumes in excess of 90dB making sure it will always be heard.
